Quick Help

- > How many terms can I enter per field?
- > Can I search with a combination of words?
- > How do I enter organisation/person names?
- > Is a search using organisation/person names only related to the applicant's name?

Quick Search

1. Database

Select patent databases:
Worldwide - full collection of published patent applications from 80+ countries

2. Type of search

Select whether you wish to search with simple words in the titles or abstracts (where available) or with the name of an individual or organisation:
Select what to search:
☒ Words in the title or abstract
☐ Persons or organisations

3. Search terms

Enter search terms (not case sensitive):
Search term(s): hair
